

FINANCIAL MANAGEMENT CONFERENCE & EXPOSITION

FAIRMONT AUSTIN

JULY 15 - 17, 2018 • AUSTIN, TEXAS

Dear Marketing Professional:

Do you market your company's products and services to the home care and hospice community? Specifically, are you trying to reach the leading agency owners, administrators, chief financial officers, or supervisors? If your answer is "yes" to these questions, don't miss this excellent opportunity to reach home care and hospice professionals from across the country.

Austin, Texas

The National Association for Home Care & Hospice (NAHC) is the nation's voice in the home care and hospice community. From July 15 - 17, 2018, more than 500 home care and hospice finance professionals and more than 75 exhibiting companies are expected to attend NAHC's Financial Management Conference & Exposition at the Fairmont Austin which will be co-produced by the Home Care & Hospice Financial Managers Association (HHFMA). This unique conference draws attendees from all across the United States and its territories. This conference continues to grow in attendance each year.

Please note that this Exposition sells quickly. Once again the Financial Management Conference will focus on the hot topics for home care and hospice executives.

NAHC invites you to participate as an exhibitor and sponsor to develop contacts with CEOs, chief financial officers, administrators, supervisors, financial managers, special project coordinators, consultants, technicians and caregivers.

Please refer to the enclosed facts sheet for more information on exhibit and promotion hours.
