Practical Measures to Ensure Compliance

Session Objectives:
- Identify indicators that demonstrate how well your compliance program is working
- Recognize critical role of managers in agency compliance
- Apply practical tips for day to day management of compliance effectiveness
Practical Measures to Ensure Compliance

Kimberly L. Brandt, JD
Chief Healthcare Investigative Counsel

JoAnne Little
Chief Compliance Officer, LHC Group

Anne Mattson, RN, MSN
Director Regulatory and Compliance Transpirus

Practical Measures to Ensure Compliance

• In the News:
  • Since March 2007, Strike Force Operations charged over 1,140 defendants for falsely billing Medicare more than $2.9 Billion
  • Moratoriums in Chicago and Miami
  • Million dollar settlements

• CMS working in conjunction with the OIG are taking steps to increase accountability and decrease presence of fraudulent activity

• Compliance is not just an initiative for the Compliance Officer

• Implications of non-compliance can directly impact everyone in the agency

• If Investigators walked into your agency today, what would they find?
