\* Net patient service revenues are reported at net realizable amounts from patients, third party payors and others for services rendered.

One year rate for start-up agencies: \$550.00 (This level is for new agencies who are under \$299,999 in revenue and have been in business for less than two years.)

Association dues payments, to NAHC or otherwise, are not tax deductible as charitable contributions, Sections 501(c)5 and (c)6. The Internal Revenue Code limits the amount of business expense deductions for dues paid to an association that engages in lobbying activities even if dues are not used for lobbying; the amount excluded for 2020 is 16% based on IRS criteria.
